## Late Birthday Project – Information for Trialists

**Welcome to our academy – we hope you enjoy your trial.**

**Late Birthday Project (LBP)** counters the significant Relative Age Effect in youth football, by offering professional academy coaching and opportunities to U6-U13s with birthdays January to August only.

Our players benefit from invitation-only squads, UEFA coaches & premium facilities, plus a curriculum & philosophy that mean they can flourish without the influence of older players from their years.

**Academy Membership also includes:** free 1on1 coaching sessions, free Adidas kit, free futsal, free holiday camps, showcase games, speed training, nutritional & physio advice; psychology workshops. And close links to pro-clubs means we can invite scouts to watch players or send them for trials.

LBP players have had great success: securing places in the academies at Chelsea, Fulham, Brighton, AFC Wimbledon and Crystal Palace, representing county teams like Surrey, and making significant advances in their club football. But most importantly, they love coming to training!

**When will we receive feedback on the trial?** You will be emailed the week after your trial. You could be offered an Elite or Development category place, or asked to come back for a further trial. For those we can't accept, we would urge you to return for another trial in the future.

**When do you train?** Season starts on the 2nd week of Sept & runs for 3 terms until mid-July.
